ABOUT LIFE & LEGACY

LIFE & LEGACY is a four-year partnership program of the Harold Grinspoon Foundation (HGF) that assists communities across North America, through partnerships with Jewish Federations and Foundations, to promote after-lifetime giving to benefit local Jewish day schools, synagogues, social service organizations and other Jewish entities. Through training, support and monetary incentives LIFE & LEGACY motivates Jewish organizations to secure legacy gifts, steward donors and integrate legacy giving into the philanthropic culture of the Jewish community. The program has generated more than \$1 billion in legacy gifts throughout North America.

ABOUT THE HAROLD GRINSPOON FOUNDATION

The Harold Grinspoon Foundation creates opportunities to connect with Judaism and the Jewish community at key life moments. Flagship programs include LIFE & LEGACY and PJ Library. Everything the Grinspoon Foundation does is in partnership. By leveraging philanthropy, the foundation encourages others to invest in Jewish life.

TO LEARN MORE

about ways that you can remember local Jewish organizations with a gift in your will, trust, retirement account or life insurance policy, contact Jim Mueth at 610-821-5500 or jim@jflv.org or visit www.lvjfgiving.org.
