

**CHABAD OF CHARLESTON**  
**Case Statement**

People who enter the doors of Chabad of Charleston experience the unbridled joy and beauty of Judaism. The working motto at Chabad of Charleston is *love everyone, help everyone, and bring all people closer to Jewishness*. We do this by providing spiritual, educational and social support for all those who are in need, regardless of their origin, affiliation or degree of observance.

Chabad is where people of diverse backgrounds find a comfortable place to connect to their spirituality. They celebrate Jewish holidays as part of the community, explore their heritage and tradition, and rejoice in meaningful programs. Everything is designed to provide a loving and warm embrace of Jewishness. Examples of people impacted include college students who wish to find a Jewish “home away from home”, visitors to the Charleston area who are looking to celebrate Shabbat or other Jewish holidays, and those who are in need and wish to maintain their Jewish heritage.

Our legacy donors are people like you who want to ensure that future generations will have a place to explore their Jewish faith and customs, celebrate together and grow spiritually.

Please join us in committing to the preservation of our wonderful Jewish heritage. You can make a difference!
