

## **JCC Cincinnati Case Statement**

We are the heart of the Jewish community, where the values and heritage of Judaism are the foundation of all we do.

We foster friendships, promote wellness, and build Jewish identity among people ages 1 month to 101 years.

We enrich lives and serve as a place of belonging, where one can build lifelong relationships and create enduring family memories.

We embrace diversity and allow anyone to engage with and enter our Jewish community.

We serve as our Jewish Community Neighborhood.

**This is our JCC. We connect, enrich, and inspire.**

We are about connecting and strengthening families, and building Jewish identity. We provide a safe and nurturing environment for the youngest members of our community to learn and grow. Our inspiring programming helps expand the minds of adults and seniors with many opportunities to improve their health and connect with others in the Jewish community. We embrace people with special needs and welcome everyone to participate in our programs, regardless of financial ability.

**Our legacy donors are people just like you who want a vibrant, thriving center of Jewish life that embraces all who enter and will enhance the Jewish lives of future generations.**
