

Ronald Gardenswartz Jewish Community Center of Greater Albuquerque

Case Statement

Your Legacy. Your Community. Your JCC.

The Ronald Gardenswartz Jewish Community Center of Greater Albuquerque is at the heart of Albuquerque's Jewish community. We are a place of belonging, where you can build lifelong relationships and create enduring memories. We are a place where people of all backgrounds connect, find friendship, and gather. We actively assist those with special needs of all kinds and partner with other organizations to create a stronger Jewish community and a greater Albuquerque community.

Our JCC is where Jewish values—loving kindness, life-long education, diversity, justice, respect, and repairing the world—all come to life. The JCC makes our community a better place to live, connect, work, and play.

We enrich lives in a safe and nurturing environment, where children learn and grow, where Jewish identity is built, and creative and inspirational programming inspires all across the generations, and where people come to improve their health and work out among friends.

JCC legacy donors are people just like you who want a vibrant, thriving center of Jewish life in our community that embraces all who enter and that will enhance the lives of generations to come.

You can make a difference. By making a legacy gift, you will help lead our community to a strong and vibrant future.

This is your time to touch future generations. This is your time to ensure Jewish continuity. This is your time to leave a Jewish legacy. PLEASE JOIN US!
