

## LEGACY PLAN GUIDE-JEWISH CARE PROGRAM

### Case Statement

When Jewish individuals and families are in need, the Jewish Care Program in New Mexico *is the first call* to guide them from crisis to calm, and from isolation to community through a host of services. Infused with Jewish values, we provide resources and connection to the most vulnerable members of our community.

Currently, the Jewish Care Program is a program of the Jewish Federation of New Mexico. Its services are guided by our core value of “Kol Yisrael Arevim Zeh La-Zeh” - all Jews are responsible for one another - and through this Jewish lens, we help our clients in a caring, compassionate, and highly professional manner. *We’re are at the other end of the phone line when someone is in need...* to enhance the lives of seniors by providing comprehensive support to them and their loved ones, to provide emergency financial assistance, to tend to emotional struggles, and to connect families and individuals to much needed resources.

The Jewish Care Program supports Jewish individuals and families as they deal with basic human needs, life transitions, and mental health issues. We ensure that the Holocaust survivors in our community are well cared for and honored. We serve Jewish individuals and families from all socioeconomic statuses, all ages, and those who are affiliated and unaffiliated. We will always be there for community members. *The Jewish Care Program is not just the first call – as we follow them through- we are also the last call.*

Our Legacy Donors are people like you, who want to:

- Provide assistance to seniors and their families as their needs become more complex.
- Ensure that Jewish community members will always be one call away from supportive services and guidance through struggle;
- Continue to respond to those in need through exceptional programs that assist families through crisis, facilitate access to supportive services, and care for older adults with dignity and respect.

Please JOIN US in answering the call by demonstrating your commitment to the well-being of the Jewish community by leaving a legacy for future generations!
